

Lincolnshire Volunteer Card

Gravity FM is always keen to promote high standards of volunteering and is pleased to recognise The Lincolnshire Volunteer Card.

What is the Lincolnshire Volunteer Card?

The Lincolnshire Volunteer Card is a countywide programme, which provides basic training to become a recognised Lincolnshire Volunteer. The programme welcomes Volunteers aged 16 and over. The Volunteer Card is a sign of validation from Lincolnshire County Council, the Lincolnshire Health and Well-being Fund, and Involving Lincs (a consortium of Voluntary Sector support organisations).

As a certified Lincolnshire Voluntary Organisation signing up to the scheme, you will receive a certificate to display and the assurance of engaging staff who have undertaken a required basic level of generic training – at no cost to your organisation.

As a Volunteer Training Provider, you can receive endorsement of your current training provision against the Lincolnshire Volunteer Card standard.

What training is provided?

You will receive FREE training in 5 subject areas that are essential to Volunteering:

- Equality and Diversity
- Safeguarding and Confidentiality
- Health and Safety and Personal Safety
- Working to Good Practice Standards
- Customer Care

Plus a further free specialist module to help you to develop your skills in the area of your personal interest, including:

- Young people
- Good communication skills (including listening)
- Team-working

How do I take part in the training?

To find out where training courses are being held near you, with venues, dates and times, look out for our posters or contact Children's Links on the details below:

Telephone: 0845 3730645
