

Outside Broadcasts

Outside events are crucial to the existence of the station.

Gravity FM needs funds to cover the cost of the keeping the station on air and providing a community service.

Gravity FM's funds are raised through membership subscriptions, grants, advertising, donations and importantly, by providing our music and public address services at local events. Events as diverse as car boot sales, fetes and firework displays.

So if you see us around and about, please drop in and say hello, we will always be glad to see you! And if you are organising an event that needs a bit of spicing up then why not get in touch with us to see if you can help us to help you!
