

What's On - Community Events Diary

Gravity FM is at the heart of the community. We've put together a database of community events happening in and around the Grantham area so you can see what's happening and never have a dull day again! You can also browse the list by [venue](#) or by [category](#) if you prefer.

We pride ourselves on helping our community so if you have an event you want us to promote, just [let us know!](#) We don't charge to promote community events for charities, not-for-profits and local community groups but you can increase the impact of your event by supporting it with an [advertising package](#).
